Teacher/Administrators

The E's of Excellence

Learn creative approaches to revitalize you and your classroom as you increase student participation. Be the teacher they never forget!

Parent Program

Communication Across The Generations

Learn how to stay "connected" to your kids. This is a great program of fun, facts, and family building.

Student Leadership Keynotes

"Are You an Eagle or a Buzzard?"

Our biggest obstacle on the road to success is often ourselves. This fascinating look at the life of the eagle highlights several of the key elements of great leadership. Learn how to "fly high" in your life.

This is one of Gary's most requested keynote presentations nationally and will be a surefire winner at your event.

Junior & Senior High School

The Power of Choice, Choosing to Win

A powerful program of audience participation, with a stunning opening that captures everyone's attention immediately. Gary deals with all the tough teen issues and proves that the "coolest cool" is to be you. Your students will gain valuable new insight in the key areas of peer pressure and bullying.

Letters of reference from across the country consistently rate this "the best program they have had in their school."
